

A Company Set-Up Under Section 42
of the Companies Ordinance 1984

AUCTION OF SOLID WASTE

The City of Faisalabad, home to 2.8 million people, produces about 1344 tones of solid waste each day. The waste is presently being disposed off at the open dumping sites.

Infrastructure Project Development Facility (IPDF) is assisting City District Government Faisalabad (CDGF) to Auction its daily generated solid waste to the interested party for its safe treatment and disposal initially for a period of ten (10) years and hereby invites suitable parties having expertise in the field to participate in the Auction.

The Bidder must have experience in proper handling of waste in accordance with applicable environmental laws. The waste may be used for segregation of recyclable materials, production of Compost or Refuse Derived Fuel (RDF). The Waste shall be delivered to the successful party by CDGF at the designated collection points.

The firms/companies who intend to participate in the Auction proceedings must get themselves registered with CDGF before the auction. The terms and conditions for Auction of Solid Waste can be obtained from the office of DCO Faisalabad. A copy of this document can also be downloaded from IPDF's website, www.ipdf.gov.pk

Auction will be held on 21st November, 2011 at 10 a.m. in the office of DCO, City District Government Faisalabad.

The successful bidder, after approval of the bid by the competent authority, shall enter into a contract with the CDGF within 10 days of conveyance of acceptance of the bid.
